Name of current Board (or Commission): Recreation & Parks**Please complete the following:**

How long have you served on this Board or Commission?

approx. 20 years

Why do you wish to be considered for reappointment by the Mayor and Council?

As I have aged into the Board, my interests have changed. I find myself viewing activities with a more experienced eye. I think there is so much more to be done to insure the continued activities of the Board which are constantly changing. In this time of tighter budgets I feel my past service will serve the city's citizens well.

What other information should be considered for your reappointment? (Examples: Ways in which you have personally contributed to the work of the Board or Commission; leadership roles you have held on behalf of the work of the group such as chair, head of a committee or task force)

I have served as Chair of the Board, have worked and helped write the Bicycle Plan. I have served on the Sports, Twinbrook, Croyden Creek, bicycle, dog park and numerous other sub-committees. As part of the sports committee I helped write the agreement we currently use with RFL, RBBA and other users of our parks. As a member of the Board I have also served as a member of the "Tree Board" which helps resolve tree issues in the city.
